Ask Merchants to Enter Floats in Homecoming Parade Friday, Oct. 26

Antioch merchants were invited this week to enter floats in the Homecoming Day parade at Antioch Township High school. A special prize will be offered for the best commercial float along with prizes for the best floats from the school organizations.

"We want our merchants to make as good a showing as merchants in other villages in the conference," said the chairman.

The parade will be at 7 o'clock Friday night, Oct. 26 and will end with a bonfire and pep session at the school parking lot.

The cheerleaders for the pep session are Shirley Mani, Jill Mahoney, Pat Keulman, Charlene Nelson, and Sylvia Beelow. The band will be led by Edward Ruffalo.

Denise Christoph, a senior, who was chosen Homecoming queen, will have as her attendants Shirley Mani, senior; Marlene Wertz, Junior; Donna Martin, sophomore; and Rosemary Wolf, freshman.

The chairman of the alumni booth stressed the fact that every alumni is invited to the game Saturday afternoon.

"If any graduate of Antioch High fails to get an invitation to this event it is because the committee does not have his or her address," the chairman said.

Methodist Building Goes Ahead After Big Delay In Lack of Materials

Specially constructed laminated rafters for the church school addition of the local Methodist Church arrived in Antioch this week. The rafters which had held up construction for over two months are being installed immediately by contractors. They were shipped from Kansas and reached the village by rail where they were unloaded by a lift and brought to the church.

The actual installation of the rafters involved building a drive onto the building itself in order that the lift could place each rafter in position. Carpenters were also at work constructing the necessary scaffold. Following the installation of the rafters the stone masons will continue with the work of the side walls of the new addition which will be fifty by sixty feet in size.

Meanwhile cutting began this past week for the new heating system of the church which will heat both the present church and the new addition. The furnace has already been installed and now the ducts will have to be cut into the church before the new system can be put into operation. In the meantime the church will continue to be heated by the old heating system. Visitors are cordially invited to inspect the progress which is being made.

Duck Hunting Season To Open One Week From Friday in this Region

Hunters are getting their equipment ready for the waterfowl season which will open at sunrise 6:15 a.m. on Oct. 26 in this area. The season will close Dec. 9.

Conservation department representatives say the lakes in Antioch and Grant townships are full of coot, but other type of waterfowl have not arrived in great numbers yet.

Hundreds of hunters are attracted to Grass lake and other nearby lakes in the Chain O' Lakes region each year and the discharge of guns at daybreak sounds like a battle in progress.

Grant High Annual Gets Highest Rating in Contest Printed by Antioch News

Grant Community High school's annual, The Trumpeter, received second place rating in the class of printed yearbooks of senior high schools having 300 to 600 pupils in a contest conducted by the Columbia Scholastic Press association in New York. This is a national contest in which 848 yearbooks representing public and private high schools, vocational schools and teachers colleges in 44 states and Hawaii, Alaska and Canada competed.

Judging was based on such criteria as typography, content, makeup and art work.

The Trumpeter was printed by the Gaston Printing Co., printers of the Antioch News.

Mrs. Fossland Selected As 1951 Christmas Seal Sale Committee Chairman

Mrs. Jennie Fossland, Winthrop Harbor, has been renamed for the third time to serve as chairman of the 1951 Christmas Seal Sale committee in Lake County, according to an announcement made today by Dr. Theo. S. Proxmire, president of the association.

The 1951 Christmas Seal sale will be conducted in the county by the Lake County Tuberculosis association from November 19 to December 25.

The sale of seals is the sole annual appeal of the voluntary associations for funds to conduct their year round programs of tuberculosis prevention and control. This year will mark the forty-third year that Christmas seals have been sold in Lake County.

The Christmas seal, an American custom since 1907 when it was adopted from Denmark was designed this year by Robert Stephens, a commercial artist and art director in Newark, New Jersey.

Practice for Junior Play Finders Creepers Starts With Selection of Cast

Forty-nine juniors tried out for the 15 parts in the junior class play "Finders Creepers" at the Antioch Township High school last week.

The successful ones were Boake Baird, James Osmond, Joan Cerwenka, Uldine Andersen, Karen Martin, Mary Kisel, Fred Zeien, Lorraine Steinel, Charles Bock, Bruce Stahmer, Mary Fields, William De Kant, Pat Miller, Bill Deering, and David Petty.

David Petty will be stage manager and Carol Loftus, assistant stage manager and thereby be ready as understudies.

Mrs. Jeanette Tulumello expressed regret she didn't have a part for every one of the contestants. She said that committees will be selected and announced soon.

Play practice began Monday evening at the Antioch Grade school where the play will be given Nov. 16. Practice will be nightly Monday through Fridays from 7 to 9:30 p.m.

Freshmen Have Best Attendance at A. T. H. S. During First Six Weeks

The freshman class had the best attendance at the Antioch High school for the first six weeks, Principal Richard C. Edmundson announced.

The class had only 49 days of absences from all its members and only eight instances of tardiness for a score of 98 per cent.

The sophomores were second with 96 per cent having 89 days of absences and 22 instances of tardiness. Juniors and seniors scored 96 per cent. The juniors were absent 100.5 days and tardy 22 times and the seniors absent 72 times and tardy 85 times.

One hundred and eighty-five students were neither absent nor tardy. Of this number 61 were freshmen, 57 sophomores, 40 juniors, and 27 seniors. The general record is considered good, the average being 97 per cent.

Kerstin Jorgensen, Lillian Meyer and Bob Gray have transferred to other high schools, according to the principal's weekly bulletin.

Eugene Ross Becomes Air Force Pressman

Mountain Home Air Force Base, Idaho, Sept. 25—Pfc. Eugene David Ross, son of Mrs. George D. Ross, 998 Main St., Antioch, Ill., has been assigned to the 581st Air Resupply and Communications wing at Mountain Home Air Force Base, Idaho.

Pfc. Ross is a graduate of Niles Township High school. He was employed as an apprentice pressman prior to entering the service.

He has been assigned to the 581st ARC Wing Reproduction Squadron as an apprentice pressman. Pfc. Ross was by-passed into printing upon completion of basic training at Sampson AFB, New York. He entered the service in June of this year.

The 581st Air Resupply and Communications Wing is being trained by the Military Air Transport Service for later deployment overseas. During wartime, the wing will disseminate psychological warfare materials and resupply military units from the air.

Antioch, Lake Villa Teachers Will Attend I.E.A. Meeting Friday

Antioch and Lake Villa township teachers will be among the 3,000 teachers and school administrators from Lake and Cook Counties who will attend the annual meeting of the Lake Shore division, Illinois Education association tomorrow at Evanston.

A similar number of teachers from the southern section will attend a meeting in which the same program containing 44 discussion groups will be given at Harvey, Ill. on Monday.

U. S. Senator Paul Douglas, former professor of economics at the University of Chicago, leader in the fields of housing and unemployment and a champion of clean government and human rights, will give the opening address at both sessions.

In a recent poll of members of the Washington Press Gallery, Douglas was the overwhelming choice as the "best senator." Kefauver (D-Tenn.) and Morse (R-Ore.) placed second and third, respectively.

More than 200 teachers and professional people will play leading roles in the panels and group meetings. Teachers may attend the meetings of their choice.

Discussions slanted to the conference theme, "Education - America's Best Defense" will include ethics, propaganda, teaching democracy, exploitation in athletics, adolescent behavior and good techniques for teaching marriage and family relations.

Other groups will consider new approaches to the teaching of adults, art, language, creative writing, dramatics, music, industrial arts and the sciences.

P.T.A. Will Conduct Bundles for Children Campaign Next Week

The Antioch grade school Parent Teachers association will sponsor a "Bundles for Children" campaign for children in southern states and in the poorer areas of the United States where the children need clothes so they can attend school.

The members will pick up bundles from Nov. 5 to 9 or they can be taken any time and left at the back part of the new gymnasium of the school.

The P. T. A. meeting Monday elected Mrs. Oren Hostetter historian, and arranged to have the school architect attend the next meeting in showing plans and obtaining advice on the proposed new addition to the school.

The program included a solo "Golden Days" by Nancy Swenson, accompanied at the piano by Mrs. Deborah Van Patten who also played for the community singing.

The Rev. L. H. Messersmith of Millburn was the speaker, giving an account of his trip through the East and showing slides of pictures taken on the trip.

Refreshments were served by the seventh grade mothers.

State Corn Crop Less Anticipated 1951

This season's Illinois corn crop is expected to be 8,975,000 bushels less than anticipated a month ago.

Total production is now estimated at 493,625,000 bushels, still well above the 419,934,000 bushels harvested last year.

No change from the September estimate was made on the soybean yield expected to be 88,300,000 bushels, as compared to 94,752,000 bushels in 1950.

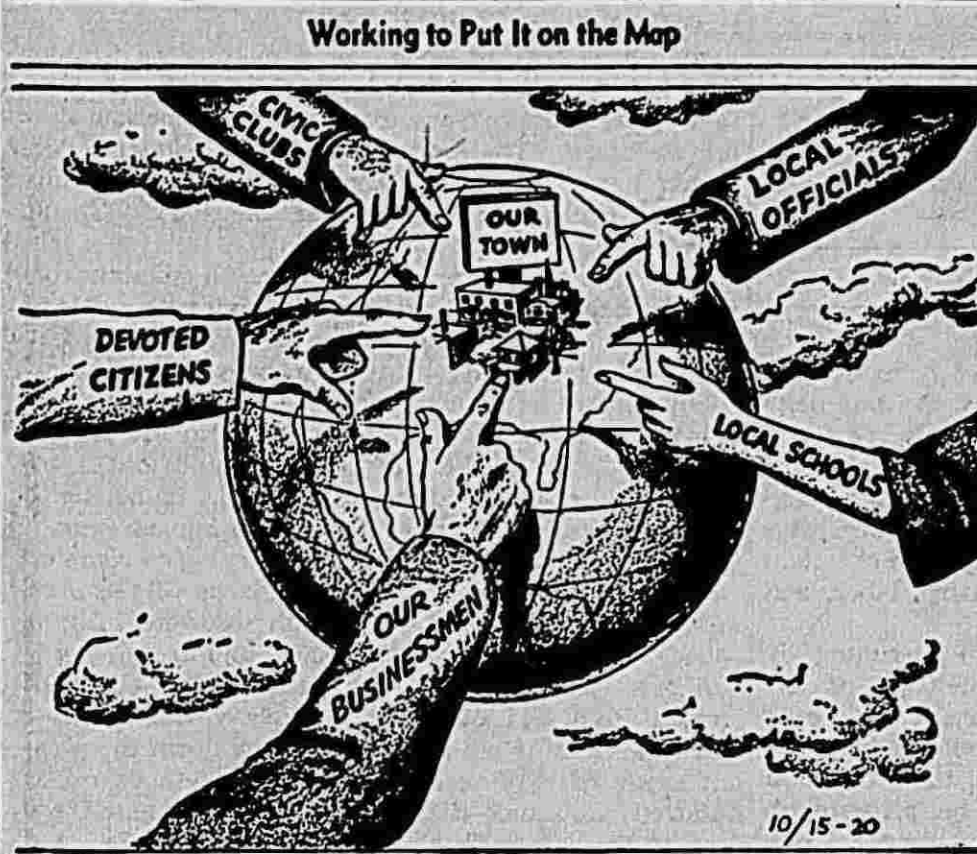

Some fields of corn have already been husked in southern Illinois, but harvesting is only beginning in the main corn belt. Two-thirds of the winter wheat seeding has been completed.

These facts were disclosed in the October crop report of the state and federal agriculture departments.

Clothes Drier Burns at Petite Lake Residence

The Antioch fire department was called last evening to T. E. Alexander's residence in the Beechwood subdivision on Petite lake where an electric clothes drier burned at a loss estimated at \$200. Firemen believe the blaze started from a short circuit. They confined the loss to the machine itself.

Members of the Alexander family first became aware of the blaze when smoke filled the house.

Chris Inkenbrandt 61, Dies at Petite Lake

Chris J. Inkenbrandt, 61, of Petite lake, died unexpectedly at 3:15 p.m. Tuesday, Oct. 9 at the Charles Kempf residence.

He was caretaker of St. Joseph's camp and for Charles Kempf for two or three years. There are no known relatives.

The funeral service was held at 10 a.m. Tuesday, Oct. 16 at St. Peter's and burial was in Mt. Carmel cemetery.

Antioch March Has New Leader

Anthony J. Scully, of Antioch, today was appointed chairman of the Antioch Area March of Dimes by Lake County Chairman, Leo Porett.

Scully succeeds Loren Sexauer, who told the chapter the press of other business would prevent him from giving the 1952 polo drive the time it deserves.

Ed Gressens, county vice chairman and Leo Porett, chairman,

Anthony J. Scully

both complimented Sexauer on his work for the 1951 drive and expressed regret at losing him for the coming campaign.

Chairman Scully, in accepting the position as chairman, said he would try to "serve the foundation as well as Mr. Sexauer did. Antioch has always had a good record of donations to the polo fund and I hope I will be able to keep their mark high."

The new chairman, is active in civic and church groups in Antioch. He is president of the Holy Name society of St. Peter's church, a Moose lodge trustee, welfare commissioner of the Civilian Defense program, member of the Lion's club, and was recently appointed park commissioner.

Shortage of Nurses

An indicated shortage of more than 26,000 professional and non-professional nurses in Illinois has been reported by C. Hobart Engle, director of the state Department of Registration and Education.

Department records indicate that 46,790 registered and 1,857 public health nurses renewed their state licenses during the fiscal year ending June 30, 1951.

A recent survey disclosed there were 6,462 student nurses in Illinois in 1950.

Plan Initiation Meeting

Because the Masonic hall renovation was not completed the initiation service of the Order of Eastern Star planned for the regular meeting was postponed to Oct. 24 when a special meeting is set. By that time it is expected that the painting and cleaning will be completed and the new drapes, a gift from the Eastern Star, will be hung. The regular meeting will be on Oct. 25.

Sequoits to Meet Bears In Homecoming Game at Lake Zurich Saturday

Again drawing a Homecoming assignment, the Antioch football team will play the Elia-Vernon Bears at Lake Zurich Saturday afternoon.

The Antioch team growing continually stronger, yet failing to enter the victory column will be out to spoil the day for the Bears.

The Antioch players came out of the Grant game in good condition with the exception of Kennedy who received a leg injury.

Coach Paul Kessenich is working on scoring plays this week. "We've got to start making points," he emphasized.

Forest Bolton and Ronald Scully have been named co-captains.

The Sequoits nearly accomplished that very thing in the Homecoming game with Grant Bulldogs at Ingleside last Saturday afternoon. After playing the better game during the first half, they finally went down to a 14 to 0 defeat.

The playing of Bob Lubkeman and Harry Larsen gave Antioch the decided advantage in the first half which was scoreless and it threatened to be an upset for Grant which as yet has been unbeaten.

In the second half the Bulldog offensive, sparked by Jim Kramer, got rolling, and Kramer averaged 12 yards gain each assignment ending with a touchdown and then fired a pass to Stu Koutny for the other.

The Antioch sophomores avenged the defeat Monday afternoon however by beating the Grant sophomores 19 to 0. High school was dismissed at 2 p.m. so that the students could watch the game.

John Wells scored once and Phil Burdord scored twice on the receiving end of two passes. Tom McGreal kicked the extra point after the third touchdown. This is the fourth victory for the sophomores who have an additional tie, Francis Perrigoue is the coach.

The freshmen played Wilmet here yesterday.

Orphanage to Receive Fruits of the Harvest At Methodist Church

Little folk, big folk, farmers, laborers, business men and professional people will help in the gathering of the harvest this Sunday at the Methodist church in Antioch. The occasion is the annual Harvest Festival for the Lake Bluff orphanage, an institution largely supported by the church.

Canned goods, and fresh vegetables will be brought to the church Sunday morning for the Festival. Members of the Church School, friends in the community and church members cooperate in the enterprise which usually results in the shipment of a truck load of food to the orphanage.

The church will be appropriately decorated for the festival. A committee consisting of Mr. and Mrs. Russell Lasco and Mrs. Arthur Meyer are arranging for the decorations. The Committee on Hospitals and Homes of the local church is in charge of the Festival and this week members of the committee were busy making final arrangements.

Mrs. Robert Dewes is chairman of the committee. The other members are Miss Alice Smith, Mrs. Effie Nelson, Miss Belle Richards and Mr. Russell Rendall.

The robed choir under the direction of Mr. Charles B. Watson is planning special harvest music. Visitors are cordially welcome to the services of worship.

Newspaper and Theatre To Sponsor Halloween Party for Youngsters

Get your Halloween costumes ready, you children of Antioch and Lake Villa townships for Antioch theatre and the Antioch News will again sponsor a Halloween party. The date set is Wednesday evening, Oct. 31.

Children from the kindergarten through the eighth grade will assemble at the Antioch grade school at 6 p.m. on that date and at 6:15 will parade through Main st. to the theatre where prizes will be awarded for the best costumes and movies shown.

Three prizes will be given to boys and girls of each grade having the best costume. Judges will be selected next week to make these decisions.

There will be an intermission in the program the same as last year so that parents can take the younger children home. The older ones can stay and enjoy movies especially selected for the occasion.

Principal Richard Whitacre of the grade school will again supervise the parade.

Chain O' Lakes Flying Club Organized Here To Promote Aviation

Antioch flyers have formed an organization known and to be incorporated as the Chain O' Lakes Flying club.

Homer LaPlant was elected president; Howard Gaston, vice president; and Wilson King of Channel lake, secretary-treasurer.

The club will meet Friday evening at 7 o'clock in the room at the rear of Bud's tavern in adopting by-laws and planning future activities.

The club was formed to promote aviation in the community and to provide flying at the lowest possible cost to members. While many of the members have their own airplanes they plan to purchase a club plane for members who do not have one.

All persons interested are invited by the officers to attend tomorrow evening's meeting.

Held for Grand Jury Investigation Mrs. Hehn Denies Killing Husband

Mrs. Marguerite Hehn has been held for the Cook county grand jury's investigation upon recommendation of the coroner's jury investigating the death of her husband, Jacob Hehn, by stabbing.

Mrs. Hehn was arrested by Chicago police as she returned to the hotel on skid row where she and Mr. Hehn were said to have been living. She denied killing Hehn, not knowing he was dead when she returned to the hotel.

He was found dead in his room by a maid who found a pair of sharp scissors at this side indicating they had been used in a stabbing.

Mrs. Hehn is a former Antioch beautyician and her children are cared for here.

F. F. A. Boys Receive McHenry Fair Prizes

Eight F. F. A. boys from Antioch high received their prize money this week for placing with their swine, beef, dairy, and sheep entries at the McHenry County fair in July.

They are Albert Berkiel, who won grand championship with his barrow and who placed fourth in dairy showmanship; Joe Pechuis, who placed second and fourth in dairy; Bob Wainio, who placed in swine; Bob Seekatz, who won second in beef; Tom McGreal, who placed second and third in swine; John Wells, who won first in dairy; and Max Morris, who placed second and fourth in beef and second in sheep.

Mr. August Wickert was the boy's sponsor in F. F. A. last year.

Gets New Inhalator

The Antioch Rescue squad has purchased a new E-J inhalator and has it ready for use. The squad now has two inhalators, one to be held in reserve for use on one truck while the other is out. This probably equips the squad better than any other village of its size in the United States.

National Bible Week

National Bible Week will be observed from October 15 to 21 this year. It is sponsored by the Laymen's National Committee, a non-sectarian and non-profit organization whose mission is to encourage belief and faith in God, daily reading of the Bible and religious education for all. The work of the Committee has been endorsed by the President, governors, members of Congress, and leaders in industry, labor, and the professions.

Today, in a world which has been corrupted by cynicism and fear, a thorough knowledge of the teachings of the Bible is more important than ever before. The world's most terrible problems have resulted from the loss and destruction of those spiritual values which our ancestors held to be preeminent. As Walter H. Judd, National Chairman for the Week has said, "Because American pioneers had a firm belief in the spiritual fatherhood of God, they put first in their scale of values the freedom and dignity of individual man as a spiritual being. As a result, their political system released, for the first time, the creative capacities inherent in men everywhere. . . . We shall not live victoriously, either as individuals or as a nation, except as we come to know God and His eternal laws and love through eternal searching of the Scriptures."

The greatest strength of a people lies in the realm of the Spirit.

Spend, Spend, Spend!

Raymond Moley devoted one of his recent News-week columns to Senator Paul Douglas's valiant and almost totally unsuccessful effort to wring a little

of the Federal budget. In conclusion he wrote: "It will take more than name calling, phony statistics, and wisecracks by the President to dissipate the feeling over this country that since people are being forced by higher taxes to practice self-denial, the government should set the example. All through the country there are too many glaring examples of Federal extravaganzas to escape notice. The country is a rich one, but it cannot stand military expenses of the size that will be essential, unless there is economy in nonmilitary spending. Taxes will not suffice, and inflation must be the deadly harvest."

Every proposal to economize has been steamrollered to death in Congress. That is true of the huge rivers and harbors bill, which is the pork-barrel deluxe. It is true of such lesser matters as Senator Douglas's proposal to abolish the old practice of maintaining at the taxpayer's expense, a free barber shop for Senators. The number of Congressional voices which have been raised against waste are pitifully few, and can hardly be heard over the roaring "spend, spend; tax, tax, tax" chorus.

If there is any better way to destroy a country from within than to countenance waste, extravagance and corruption in government, no one has thought of it. The people are being bled white by taxes now, and the incentive to work, to save, and to achieve is being destroyed. If we keep on going in the present direction there can be only one end—and that is national bankruptcy and national ruin. It happened to great empires of past times. It can happen here.

I am 'pealin' for help, folks, I am trying to come up with an answer as to when the citizens of this land are going to find out that Govt. dinner—foldin' type—does not grow on vines, bushes, and trees.

A few folks here and there with still a strain of rugged Plymouth blood, raise their voices—but far and wide there is but little stir to slow down the present mode of nicking Sambo for a few thousand or hundred thousand—the mayor and the council are for it—the commercial club, is out hammer and tongs for any proposition, cuckoo or otherwise, so long as it is only "matching money." And while television is set up in every school room in old San Francisco by the Golden Gate, for the world's series, there is another 300 million buck unneeded Socialist Govt. power house going up on some creek or dam in some remote mountain fastness. Money is everywhere. A little football team from Clemson, So. Carolina journeys across the nation to battle a little team in Stockton, California.

So, nice people, I appeals to you—you all know there is something phoney going on—that money don't grow on vines, trees, and bushes. You know that—even your 10 year old off-shoot knows same. Now, how are the grown-up suckers who don't know about it, to be wised up. Send answers pronto—we are not too far from the brink.

MOVIE SURVEY

Motion Picture Industry Looks To Small Towns

URBANA-CHAMPAIGN, Ill.—The motion picture industry has suddenly become small town conscious.

The cause of it all is the fact that television is siphoning off the motion picture audiences in metropolitan areas and dollar shortages abroad is curtailing foreign demand for American films. So, the industry turned to the small towns with the question: what is the prospect of improving the motion picture business in small towns?

A survey to determine how well the small-town exhibitor is succeeding in meeting the entertainment requirement of his public has been made by I. I. Raines of the marketing division of the University of Illinois.

By means of a questionnaire submitted to a sample of adult residents in a single Illinois community, Raines sought to discover the frequency of attendance at motion pictures, program preferences and dislikes, and other factors affecting attendance.

Surveys Small Town

For his sample Raines went to a small (3000 population) independent community—not a suburb or adjacent to another town—where there was but one motion picture theater, open daily and presenting advertising as well as entertainment films. Only persons 15 years of age or over were queried on the assumption that from that age an individual is free from parental authority in selecting the motion picture fare for which he pays admission.

Raines found the local theater audience predominantly young, those between 15 and 20 attending most frequently. Next highest rate of attendance was in the age group from 21 to 25. After 25 attendance drops materially—with the end of the courting period. Married people are more likely to attend motion pictures when the children no longer require baby-sitters and have reached an age to accompany them.

Mystery plays received the greatest number of mentions as first choice; comedy and musical comedy had identical number of second choice listing. Comedy appears to be best received by the younger people, but musicals appeal to all age groups. Men prefer mystery, musical comedy, and westerns—in that order. Among women, the first choice is equally divided between musical comedy and drama, followed by romance and comedy.

Dislikes Stated

As for dislikes of the audience, war, western and operatic musical pictures seemed to be least popular. Single people appeared to dislike romantic films. A prejudice against western films may have existed in this particular sample which included no farm population, because the local movie house showed westerns every Saturday for the benefit of the marketing farmers.

The advertising films shown in connection with the entertainment features appeared to be unpopular, but not to the extent that it would be worth paying more not to have them included. There seemed to be an unsatisfied demand for sports films as well as for short comedies and newsreels. Divergence of interests within such a small group presents an almost unsolvable problem to the small town exhibitor who can not afford to cater to the more discriminating.

New York Village Host To 110 Fire Companies

PENFIELD, N.Y.—The small town of Penfield was host to its first big convention during June. Over three hundred individual members of the Northern Central New York Volunteer Firemen's Association, representing 110 fire companies in eight counties, attended the convention.

Outstanding feature of the two day event was a mutual aid demonstration held by fire companies from Penfield, East Rochester, Fairport, West Walworth, Webster, Pittsford, Business's Basin, Egypt and a pumper company from the city of Rochester.

Thousands of feet of hose were used and over a hundred firemen took part in the demonstration. The convention was topped off with a parade of 80 fire companies and 50 bands.

The Sky Is the Limit; Firemen Chase the Moon

NEWVILLE, Pa.—The town of Newville, population 1,700, including Fire Chief John Bender, recently was startled by a 4 a.m. fire alarm.

By the time Bender got to the fire house the tall lights of the fire truck were disappearing down the highway in answer to an out of town alarm. Bender grabbed a car and saw a brilliant glow in the distance.

"Must be a lulu," he remarked to a fellow fireman. "Step on it." They roared through the night till the glow became a line of flame, then a semicircle and the chief called a halt.

He had been racing toward the moon.

Some-where a Road is Call-ing

If the purr of a great-powered engine
is music to your ears —

If command of two tons and more of
nimble-footed and beautifully balanced
automobile can step up your pulse beat —

You are just the man for whom a
ROADMASTER was engineered.

Whatever it takes to give you a sense of
complete and carefree freedom behind its
wheel, you'll find in this proud master of
the highways.

Added to the breadth and length that any

fine car can give you are four soft-action
coil springs to cushion the wheels, and a
torque-tube to banish rear-wheel wander.

Added to its high-compression, valve-in-
head engine are eight exclusive Fireball
combustion chambers that get extra
power from each whirling charge of fuel.

Added to the convenience of clutch-free
driving is the torque-converter principle
of Dynaflo Drive — that feeds a
steady flow of power without lag or
falter ever.

Added to the light responsiveness of

its steering wheel is a Buick-engineered
"front-end geometry" that gives this
phenomenal performer a sense of direc-
tion straight and true.

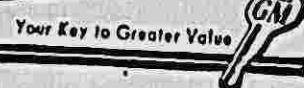

But no roll call of engineering accom-
plishments can tell you the feel of a
ROADMASTER out on the road.

That's something that only firsthand
acquaintance can bring. Not just a trip
around the block — but enough time and
enough miles to let you discover what a
joyous companion this great car can be.

That's something that is easily arranged.
If you're truly interested, a phone call
will bring a ROADMASTER to your door.

Equipment, accessories, trim and models are subject to change without notice.

"Oh, eh, maybe that bull doesn't know
See Line's reputation for handling beef!"

Soo Line's job is service. With
livestock and meat shipments
that means moving the freight and
preserving its quality.

So Soo Line long ago developed
special services for shippers of
these perishables. For instance,
Soo runs 2 "time" freights daily
between the Twin Cities and
Chicago terminals on 17 hour

schedules. Winter and summer
they regularly connect South St.
Paul packers with "time" freights
to eastern markets.

No wonder packers like the Soo
Line.
Whatever your shipping problem,
Soo service can probably help you.

F. H. A. and Teachers Have Sectional Meet

The Future Homemakers and home economics teachers of Section 20 in Illinois met Saturday at the La Salle Hotel in Chicago. Karen Martin and Margie Haling, accompanied by their instructor, Miss Naomi Meiners, represented Antioch high. The section includes schools from Lake, Cook, McHenry and Kane counties.

The purpose of the meeting was to elect section F. H. A. officers. Karen Martin, local president, served as chairman of the nominating committee. The girls decided on the program for the year and made plans to hold their spring rally at Barrington.

At the teachers' meeting Miss Meiners was elected to serve as section president for the teachers' group.

T.B. Death Rate Less

Fifty years ago in Illinois, 140 persons out of every 100,000 died of tuberculosis. Last year the death rate from this disease was only 25.4 per 100,000.

Reporting this notable reduction, the state Department of Public Health says tuberculosis still ranks as the eighth greatest cause of death in Illinois, and is second only to pneumonia among the fatal communicable diseases. Tuberculosis strikes hardest at persons in the productive years of life, the department pointed out.

More For Road Building

The State of Illinois will have about \$154,000,000 to spend on road building during the two years from July 1, 1951 to June 30, 1953, according to Charles P. Casey, director of the state Department of Public Works and Buildings.

The money will come from higher gasoline taxes, increased truck fees, and federal aid amounting to about \$85,000,000, Casey said. He predicted still further expansion of highway construction in 1954, when the gas tax will be five cents, and a higher scale of truck fees will be in effect.

SEVENTEEN TO SEE BEARS PLAY AT CLEVELAND NOV. 25

Antioch residents were among the first to make reservations for the all-expense trip to Cleveland Nov. 25 to see the Chicago Bears play the Cleveland Browns. It is known as the "Beat the Browns" excursion sponsored by the alumni clubs of the Bears. Bruno Manzano has rounded up 17 so far to make the trip and among them is Mayor James McMillen, a former Bear guard and vice-president of the club.

To Sell Christmas Cards

The Student Council of the Antioch Township High school will sell eight different kinds of Christmas cards to raise money for school activities. Each student will be given a box to sell.

Mr. and Mrs. Joseph Rhymer spent the week end in Urbana with their daughter and family. Mr. and Mrs. C. W. Wikoff.

Dr. and Mrs. Julian Lorenjard and son of Chicago were week end guests of Mr. and Mrs. Paul Chase.

Mr. and Mrs. Clare Heath and Mrs. Maud Johnson were Sunday visitors in Elgin.

League Bowling

Ladies Major League

All three of the matches bowled by the Ladies Major league Friday evening resulted in two-to-one totals. E. Courtney's 524 total was high for the league, with H. Walshon rolling 518 to take the runner-up spot.

Barnstable and Brogan won over Blums; Bussies took the lead over Reeves, and the Rec took Johnsons. Other creditable scores were shot by L. Luehr with 401, T. Jicha with 444, D. Ferris with 475, and Flo Strametz who rolled high single game of 186.

Tavern League

Dick Moran's blanked the Old Orchard Inn with Hartnell sparking the winners with a 546 total.

Kemp's won two over Thompson's with Chuck Kempf starring for his team with 547. Tortman was high for Thompsons with 504.

Hans and Mables beat Slide Inn for three straight, with Sampson taking the honors for the losers with 487. Fischer was top man for the winners with a nice 533.

Smart's Country House managed to win one from the hot Sorenson team, with Folbrick high for the

winners with 518. Bartel had an even 500 for the losers.

The Recreation won two from the Haling team, with Barthel's 494 high for the winners.

Bud's won three from Pagels. Ellis had 513 for the losers and Walsh had 627 for the winners.

Women's Handicap League

An unusual scoring took place Tuesday evening when six teams blanked out their opponents for three straight wins and not one 500 series was rolled. L. Keulman was high for the evening with 482, and

also had high single game of 191. Bud's rolled high series with 2288 on games of 717, 805 and 784.

Winners were Slide Inn over Art's Paint; Bud's over Badger Cork; House of Beauty over Salem; Pagel's over Linders; Kings over Mt. Hatcheries; and Antioch News over Hazelmans.

High individual scores were rolled by B. Meyer, 384; K. Keulman, 484; E. Pacey, 393; H. King, 382; F. Strametz, 417; I. Cook, 477; E. Courtney, 491; J. DeBoer, 456; L. Kelly, 369; D. Ferris, 471; F. Herrin, 451.

Forest Spending
It is estimated that the Douglas fir industry of Western Oregon and Western Washington spent nearly 15 million dollars in 1950 for forest protection and management.

Customers' Corner

Food tastes and needs change with the seasons of the year.

In the fall, for instance, most family menus begin to feature more hot and filling dishes.

We strive always to see that our stores are stocked with the food our customers prefer.

If your A&P fails to keep pace with your changing seasonal tastes, please let us know. Please write:
